

"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me ... I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."

Matthew 25:35-40

Kosmos Ministries, Inc. recognizes this is a broken world.

Too many people are poor, distressed, underprivileged, hungry, homeless and marginalized by society.

We see them, and it compels us to service.

Operating as a 501(c)3 organization, Kosmos Ministries is an interdenominational Christian ministry that serves the poor of the world while, at the same time, strives to be the presence of Christ in communities of need. We hope to unite various churches and individuals in the pursuit of The Great Commission.

Through our cross-cultural Hispanic ministry that focuses on the people of Central America, we provide aid and support to the poor regardless of race, gender, nationality, religious affiliation, etc. Specifically, we offer mission trip opportunities for willing volunteers. Kosmos organizes and facilitates short-term mission opportunities for churches, groups, and individuals.

Each year, Kosmos leads teams abroad to serve the poor. On one of our summer teams, Kosmos led a group of eleven people from five different churches to serve in an impoverished area of Nicaragua. Through a partnership with a local community church, we have regularly scheduled mission opportunities in Nicaragua and can also develop new mission opportunities for churches with specific needs. Please see our website for upcoming opportunities.

Our goals are to meet the practical needs of the poor and those forgotten by society. Our projects include feeding and clothing the poor, ministering to orphans, widows, and any who are struggling with the realities of poverty. Through service comes relief, not just for those affected by poverty, but also for those engaging in compassion and love with our brothers and sisters in need. Additionally, we operate as living witnesses of Christian discipleship. Thus, we seek to attend the spiritual needs of those we serve in addition to practical ones.
